## BVAL News...

### **The Brazos Valley Art League Begins Search for a New Home**

The Brazos Valley Art League (BVAL) and the Arts Council of Brazos Valley have shared a building and worked together for several years. However, in March, the Arts Council announced plans to relocate to another site in College Station and that BVAL would not move with them. As a result, the Brazos Valley Art League finds itself in need of a new home that will allow the BVAL to meet the needs of its members and the community by holding meetings, presenting workshops, providing art education, and hosting art shows.

We do have a dispute with the Arts Council over \$100,000 paid to the Arts Council. However, that dispute is “on hold” while both organizations arrange for new locations. Respecting the privacy of both parties, we will not discuss the dispute.

We are actively searching for a new location for BVAL to call home. We wish the Arts Council well in their new location.

Questions may be addressed to Nancy Schaan, President of the BVAL.
