President's Palette

As you begin again in this New Year, may you find joy and beauty in every day. It is traditionally a time for us to review our goals, adjust as needed, and prioritize our time. My personal goal is to spend more time painting, and volunteer more. Do you have a plan? Do you have a dream? Enjoy everyday!! Happy New Year!! I'll leave you with this quote.....

Nancy

The hardest part is starting. Once you get that out of the way, you'll find the rest of the journey much easier.
