VAS OPPORTUNITY

Gallery pop-up in June

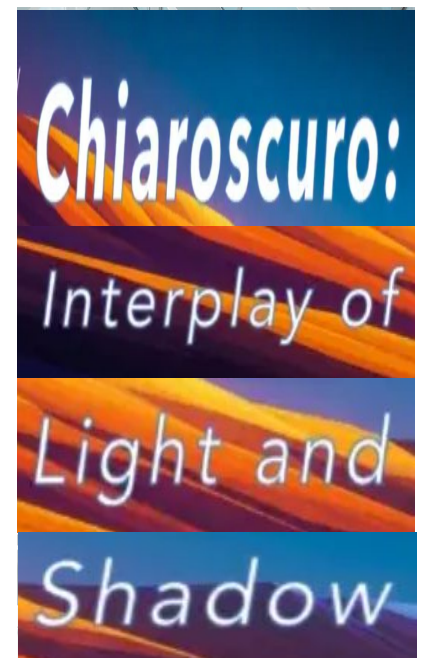

Thanks to member Iva Banik's connection w/Stephanie Hubbell @ The Parker-Astin,, VAS artists are participating in an experimental group show, taking turns keeping the gallery open and managing sales (65% to the artist, 30% to the gallery, and 5% to VAS). This show is a first for VAS—let's see how it goes! More information and the times we are open can be found on our website [HERE](#).

The space is huge and there is room for our ProPanels for hanging more art if we do this again.
